NEW NUMBER ANNOUNCEMENT

September 2023

New Coverage for Detroit Diesel® DD15 Engine

FP Diesel® is pleased to announce new coverage for the Detroit Diesel DD15 engine.

Our cylinder kit and piston kit contain FP Diesel's exclusive POWERFORGED® friction-welded steel pistons. The large oil gallery maximizes piston cooling by allowing a greater volume of oil to reach more of the piston's interior surfaces, while also increasing lubrication to piston pin contact surfaces.

We offer both CSR and non-CSR liners. The Carbon Scraper Ring helps remove carbon deposits from the top ring land which improves power cylinder function and reduces bore polishing.

We complement our new DD15 cylinder components with a full range of engine bearings and gaskets.

Please contact Customer Service for more information.

Part Number	Description	Comments
FP-LK4720371401	Cylinder Kit	Contains One-Piece POWERFORGED Steel Piston, CSR Liner
FP-A4720302317	Piston w/Pin, Retainers & Rings	Contains One-Piece POWERFORGED Steel Piston, A4720300624 Ring Set
FP-A4720111910	Liner w/Sealing Rings	Contains CSR (Carbon Scraper Ring) Insert
FP-A4720111810	Liner w/Sealing Rings	Non-CSR Liner
FP-A4720110259	Cylinder Liner Insert	Used with A4720111410 CSR Liner
FP-A4720300424	Ring Set, Single Cylinder	
FP-A4720300624	Ring Set, Single Cylinder	
FP-A4720300960	Rod Bearing Shell Set	Standard Size
FP-A4720300240	Main Bearing Shell Set	Standard Size
FP-A4710161520	Head Gasket Set	Contains A4720161320 Head Gasket
FP-A4720161920	Head Gasket Set	Contains A4720161420 Head Gasket
FP-A4720162120	Head Gasket Set	Contains A4720162220 Head Gasket, Used with CSR Cylinder Kits
FP-A4720140022	Oil Pan Gasket	Used with Plastic Oil Pan
FP-A4720140322	Oil Pan Gasket	Used with Aluminum Oil Pan
FP-A4721421880	Exhaust Manifold Gasket	Front, Cylinders 1-3
FP-A4721421980	Exhaust Manifold Gasket	Rear, Cylinders 4-6
